Mount Of God Tabernacle NEWSLETTER

"We believe that we are called to be a beacon of hope and a light in the darkness."

The newsletter is back! Thank you for your patience as we transition back to normalcy. As you all are aware, Covid has made a great attempt to destroy our fellowship. However, when God is for you, tell me who can be against you? We all have endured and won the fight against covid. Our resilient overseer Bishop Martel W. Cole Senior never gave up and we now have a building we can call home.

First, the newsletter team hopes that your year is off to a wonderful start. Since our last newsletter and new church location opening we have had several new activities that deserve highlighting. Some of those activities include, Women Meeting, Annual Belize trip, the Children Valentine's Day Brunch, Youth Cookout and Talent Show and Men's Seminar. During this newsletter feature our goal is to educate, provide resources and bring to light Mount of God's spectacular moments. We have great things ahead and we hope to make your newsletter readings an unforgettable experience.

MGT-Belize Church Convention

Bishop Cole concluded the Sunday morning service of 2024 MGT-Belize Convention with an amazing message.

“Where the children of God gather, the enemy gathers too. However, we are conquerors but more than conquerors through Christ because we cannot do it on our own. We have confidence but it comes from Jesus’. Paul said they were persecuted and opposed because of their faith in Jesus Christ, and though trouble, hardship, nakedness or danger may come, we need not be defeated.” Said Bishop. True disciples of Jesus Christ are conquerors.

MGT-Belize hosted their fourth-year annual convention from January 21 to January 28, 2024. The convention was centered around the theme: **“We are more than conquerors in Him who loves us.”** This was an outstanding event, from Pastor Neal and his family leading everyone in uplifting worship, Pastor Misty and Minister Steer delivering impactful sermons, to the junior and senior dancers blessing us with their performances. The convention also featured inspiring testimonies of God’s unfailing hand, as well as miracles and wonders that took place to the last Sunday service of a powerful sermon.

Music was performed by The Mount of God Tabernacle Belize-Praise Team, directed by Pastor Neal, with his musically talented family.

Selections were **“I look to You,” “Pulling down stronghold,” “Worthy is the Lamb,” etc.**

“Pulling down strongholds and bound the dark forces of divination, so that our life can progress. We need to praise some more and seek the face of God more. The weapon will form, but it should never prosper. When you are in the presence of God, you need an encounter.” Said Pastor Mitsy Irving. “Are you truly serving the God of Abraham, Isaac and Jacob?”

“Before we speak of conquerors, we need to know who a conqueror is. A conqueror is someone who overcomes, subjugates, and puts something down that was once standing up, someone who puts something under pressure and subdues. We are not just conquerors but more, however, the more is only added because of Christ who loves us. We cannot overcome it unless we have the blood of the Lamb.” Minister Steer

Children's Valentine's Day Brunch

Flowers, Candy, and even heart-shaped notes what's not to like about Valentine's Day? This sweet celebration, which happens every year in February, is all about spreading love. But what do kids see this day as? Some may see it as an opportunity to enjoy heart-shaped candies while others may not be too interested in the holiday. However, the history of Valentine's Day remains interesting even for those who are not big fans of the celebration. To express love and gratitude towards children, the Mount of God Tabernacle Youth Department organized a Children's Valentine's Day brunch on February 18, 2024. This event was dedicated to

serving and meeting the needs of the children, emphasizing the importance of showing love to them. Despite Valentine's Day being somewhat of a mystery to children, it serves as a reminder of the affection and care that adults have for them. Let's look at the heartwarming feedback received about this love-filled day.

"The Valentine Brunch was good and fun." ~ Savannah

"I loved it, it was fun and I enjoyed myself. Especially the fried chicken" ~ Sabria

"It was good and the food was amazing." ~ Taliyah

"It was exciting." ~ Rebecca

Women Empowering Women-Minister Clarke & Missionary Hardy

Isn't it hard being a woman? Yes, it is! Women are known to have one of the most challenging jobs in society. Women have to juggle motherhood, work, manage inadequate support systems, their own health challenges, children's health challenges, financial hardships, and the list goes on.

Minister Andria Clarke and Missionary Dionne Hardy developed a group called “Women Empowering Women”. The women’s group is a safe space that was designed to empower women with skills, resources, and guidance they need to make the most out of their life. In addition, to reach their full potential. The group has met twice, and discussed topics around being a woman. Entrepreneurs were provided with the opportunity to showcase their businesses. Being involved in a women’s group can be rewarding and have a positive impact. It produces networking opportunities, fellowship, and increases confidence. What better way than to receive support from MGT’s women of faith who have successfully overcome some of life's difficulties. To learn more about the next meet up of Women Empowering Women please contact Minister Clarke or Missionary Hardy.
